

# 2020 VIRTUAL SUMMER CONFERENCE

CONNECTING OUR DAZZLE

## The Ehlers-Danlos Society Virtual Summer Conference July 10–12, 2020

### **Sponsorship Opportunities**

The Ehlers-Danlos Society is a global community of patients, caregivers, health care professionals, and supporters, dedicated to saving and improving the lives of those affected by the Ehlers-Danlos syndromes and related disorders. We support collaborative research and education initiatives, awareness campaigns, advocacy, community-building, and care for the EDS and HSD population. Our goals are world-wide awareness—and a better quality of life for all who suffer from these conditions. **Our strength begins with hope.** The Ehlers-Danlos Society is focused on making a real difference for those living with EDS/HSD. The Global Learning Conference is far more than just a series of seminars.

“The Learning Conference is the one place I go where my disease isn’t invisible, and where everybody I talk to understands.”

The 2019 Global Learning Conference attracted more than 800 individuals from around the world, including top physicians, nurses, physical therapists, and families with EDS/HSD. More than 3200 people from 42 countries joined through live streaming. Due to the unprecedented COVID-19 situation, in place of the originally-planned Arizona conference (postponed to 2021), we are excited to be hosting our first-ever global virtual conference, presenting the latest research, management, and scientific information.

## About The Ehlers-Danlos Society

The Ehlers-Danlos Society is a global community dedicated to saving and improving the lives of those affected by the Ehlers-Danlos syndromes and related disorders. Our goals are world-wide awareness – and a better quality of life for all who suffer from these conditions. Research is at the center of what we do, so that one day we will have a cure. Our strength begins with hope. The Ehlers-Danlos Society is a 501c3 nonprofit charity in the US and a registered charity #1180984 in the United Kingdom.
