About The Ehlers-Danlos Society

The Ehlers-Danlos Society is a global community dedicated to saving and improving the lives of those affected by the Ehlers-Danlos syndromes and related disorders. Our goals are world-wide awareness – and a better quality of life for all who suffer from these conditions. Research is at the center of what we do, so that one day we will have a cure. Our strength begins with hope. The Ehlers-Danlos Society is a 501c3 nonprofit charity in the US and a registered charity #1180984 in the United Kingdom.
